§ 2.45-10 General.

(a) A classification society (including an employee or agent of that society) must not review, examine, survey, or certify the construction, repair, or alteration of a vessel in the United States unless it is approved under the provisions of this subpart.

(b) This subpart applies to a recognized organization that meets the definition of a classification society provided in § 2.45-1 of this subpart.

§ 2.45-15 Approval requirements.

(a) A classification society may be approved for purpose of § 2.45-10 if the following conditions are met:

(1) Vessels surveyed by the classification society must have a worldwide port state control detention rate of less than 2 percent based on the number of Recognized Organization (RO)-related detentions divided by the number of vessel inspections for at least 40 port state control inspections for the past 3 years;

(2) The classification society must not be identified in the most recent publication of "Port State Control in the United States" as a Priority I and as having more than one RO-related detention for the past 3 years;

(3) The classification society must comply with the minimum standards for an RO recommended in IMO Resolution A.739(18), Appendix 1 (incorporated by reference, see § 2.45-5.);

(4) The classification society must be an RO for at least one country under a formal written agreement that includes all of the elements described in IMO Resolution A.739(18), Appendix 2 (incorporated by reference, see § 2.45-5.);

(5) The referenced country that is cited for satisfaction of the requirement of paragraph (a)(4) of this section for which the classification society is an RO—

(i) Must be signatory to each of the following: The International Safety of Life at Sea Convention (SOLAS), the International Convention on the Prevention of Pollution from Ships (MARPOL 73/78), the International Convention on Load Lines (ICLL), 1966, and the Protocol of 1988 relating to the ICLL, 1966; and

(ii) Must not be identified as a flag state targeted for additional port state control action by the Coast Guard or any regional port state control secretariat.

(6) The classification society must use a system to—
